

Identity & Formation

Instilling confidence in **Identity** with a devotion to lifelong **Formation**, DNW is committed to promoting **diversity** through **acceptance** and **belonging**. As students deepen their understanding of **spiritual gifts** and articulate personal **calling**, it will enable them to personalize **spiritual discipline** practices and embrace restorative rhythms of **rest and sabbath**. Emphasizing a proper view of royal **identity** and kingdom authority, students will minister from their unique **creative expression** while **distinguishing between truth and culture**.
