

## Immersive Relationships & Community

DNW empowers genuine connection through **Immersive Relationships and Community**. During the program, students will learn the importance of healthy dynamics through the **setting of boundaries and maintaining relationships**. Curriculum will be enhanced with **personal development** from influential leaders and strategic **training conferences**. As an extension of East Hill Church Family, DNW will train students through **integrative ministry opportunities** to value **critical contextualization**, enrich **community outreaches**, advocate **community partnerships**, and expand the Kingdom through **local and global missions**.
